

WORKPLACE BLESSING

We commend to you our practice of speaking blessings into our local workplaces. You may like to use the following as a framework and adapt it to your particular place of work/sector/sphere of influence.

Heavenly Father, we take upon ourselves the mantle of authority that Jesus delegates to His disciples. In His name we speak to this place of work and we say:

RELATIONSHIPS

We bless the relationships in this workplace. We bless the relationships between employees and their fellow workers; between employees and their line managers; between line managers and their directors; and between directors and their trustees/boards.

We bless these relationships to be strong and full of trust. May each person be forgiving, merciful and respectful of one another. We bless these relationships to be healthy and whole in every way.

NETWORKS

In Jesus' name we bless every network of wholesome and supportive friendships in the workplace. We bless the relationships between sectors, businesses, customers and suppliers.

HEALTH & WELLBEING

We bless the physical health and mental wellbeing of colleagues, that they may be strong and healthy. In Jesus' name we resist any sickness, disease or physical accident which seeks to invade the business, and we say: be well, be strong, be healthy. To any who are sick or injured right now, we say we bless you in Jesus' name with a speedy recovery.

ECONOMY

We bless every wholesome enterprise that is conducted by you, that it may prosper and be successful.

We bless everyone in their place of work with creativity, innovation and divine blueprints. We bless the businesses – that they would generate good revenue and profit which will multiply and replace any poverty. We bless the supply chains – that those at each step of the process would be able to deliver materials and services of quality and in a timely way. We bless the customers – that they may have enough to live and enough to give.

LEADERS & INFLUENCERS

We bless this region/area with creative entrepreneurs who will have fresh ideas that will create new opportunities and generate new businesses.

We bless our leaders with integrity and the fear of the Lord, that they would recognise that their success is not their own doing but comes from you, Lord.

We bless them with your wisdom, mercy and justice as they are called to lead. We bless them to be generous and caring, seeking the wellbeing and prosperity of all, and thereby creating a happy and harmonious working environment where trust and joy are at the heart of the community.

CHRISTIANS

We speak to our brothers and sisters in their respective vocations, and we say we bless you in the name of the Lord that the Holy Spirit and the word of God may flow out from you in power. May you know the presence of the Lord leading and guiding you as you live out the Lord's calling on your lives.

Be filled with the fruits of the Spirit (love, joy, peace, patience, kindness, goodness, gentleness, faithfulness and self-control), so that you will reflect the Lord in your attitude and behaviour. We bless you with success in all that you do, that you would receive the favour of Daniel, Joseph, Ruth, Esther and Jabez! We bless you with opportunities to share your faith in safety and confidence ('I am not ashamed of the Gospel') and protect you from harm.

We bless the Christian workplace groups, Christian professional and sector groups and Christian workplace ministries. We bless them with divine wisdom as they connect with those leading on diversity and inclusion, and ultimately, that they would speak into being your kingdom into their place of work.

We bless those Christians in all spheres of influence – in arts, media, healthcare, industry, service, finance, agriculture, technology and all other sectors. May we learn together as we seek to see breakthrough in our respective workplaces.
